It is with deep regret that we notify the passing away, on the 20th April, 2017, of Baron Salvino Testaferrata Moroni Viani, aged 86, ex-Lt. 11 Heavy Anti-Aircraft Regiment, Royal Malta Artillery(T).

He leaves to mourn his loss his beloved wife Monika, his sons Christopher and his wife Daniela and Martin and his wife Stephanie, his grandchildren Petra, Stephen, Nicholas, Martina and Sophia, his in-laws Jane Testaferrata Moroni Viani, Manfred and Monika Ammermann, Ute and Rainer Knoche, together with Caroline, Peter Paul, Paul Stephen, Richard and Sebastian and their respective spouses, other relatives and numerous friends.

Lord, grant him eternal rest.
In this photo, “il-Baruni Salvinu” features prominently in the middle row behind Lt Col H R Micallef MBE RMA, Commanding Officer of 11 H.A.A. Regiment RMA(T). It is quite likely judging from the medals and the Regimental Standard flying on the mast behind them that this picture was taken on 11 June 1954 when they had a "large scale parade" for His Excellency the Governor. We have opted for the 1954 rather than the 1953 camp in view of the considerable number of post war individuals who had already made Sgts since 1952. Incidentally, in this photo, also feature Alfred Calleja (back row) and Eddie Borg (centre row) who were both also commissioned with the Baron in December 1955 and still survived into 3/11 RMA(T).

This 2007 photo was taken at St Barbara Church, Republic Street, Valetta, during a 3/11 Regt. Association remembrance ceremony. The original church was built in 1573 for the spiritual needs of the Knights of the Provence Langue of the Order, it was the church of the bombardiers.
